

## Israel – Palestine Conflict

October 9 2023

Hello friends,

I'm sure that you have seen the distressing news about the conflict in Israel & Palestine.

It truly breaks my heart, and we are really praying for peace and resolution.

You will be wondering how this impacts our planned tours to Israel, Palestine and beyond in 2024.

As at today it is too soon to say as these things can either be resolved in a few weeks or sometime many months. Suffice to say if this continues as it is our tours will not go ahead.

So can I ask that you sit tight and pray for the people of Palestine & Israel.

Love and blessings

Lisa & the Selah Team
