

Israel – Palestine Conflict

3 November 2023

Hello friends,

We continue to pray for peace amidst a time of great suffering in Israel & Palestine.

All of the 2024 tours to Israel & Palestine are on hold and have been removed from our website as a small token of respect for the people there.

We have no idea when it will be safe to return. Before any groups do travel, Lisa Tarzia will visit Israel & Palestine personally to ensure that our groups would be safe and enjoy a wonderful experience.

In the meantime, please consider one of our alternative destinations and itineraries.

Love and blessings

Lisa & the Selah Team
