

Israel – Palestine Conflict Update

14 April 2025

Dear friends,

We continue to pray fervently for peace, justice, and healing in Israel and Palestine, where so many have endured deep suffering and loss.

At this stage, we are prayerfully and cautiously hopeful that a lasting ceasefire will be re-negotiated, and we are tentatively planning to resume tours to Israel in **2026**.

For security reasons, we will not include **Bethlehem** or **Jericho** in our itineraries in the short term. Please be assured that we will not resume travel until we are confident that it is both **safe and ethically responsible** to do so.

Prior to any group departure, **Lisa Tarzia** will personally visit the region to ensure the safety, wellbeing, and spiritual richness of the experience.

In the meantime, we invite you to consider joining one of our other transformative journeys through Europe, Australia, or other biblical destinations.

Thank you for your continued prayers, support, and understanding.

With love and blessings,

Lisa & the Selah Team
